VIETNAM ENERGY TRANSITION FORUM

 12:45 – 17:00 | NOVEMBER 5TH, 2025

 CONFERENCE ROOM B, HALL A2, SECC

**Theme: Energy Efficiency & Electricity Market Mechanisms:
Driving Vietnam's Sustainable Energy Future**

The conference is hosted by the Center for Energy Information & Electricity Market Development, Asia Pacific Urban Energy Association

The conference focuses on discussing key issues related to the electricity market, the Direct Power Purchase Agreement (DPPA) mechanism, and energy audit programs, along with in-depth discussions on energy efficiency and supporting policies for enterprises in their green transition journey.

Target participants include government agencies, power system operators, major electricity producers and consumers, renewable energy investors, consultants, financial institutions, research organizations, and industry associations—all of whom play vital roles in promoting energy efficiency and advancing a sustainable electricity market in Vietnam.

VIETNAM ENERGY TRANSITION FORUM

 8:30 – 12:15 | NOVEMBER 6TH, 2025

 CONFERENCE ROOM B, HALL A2, SECC

**Theme: Powering Vietnam's Net Zero Journey by 2050:
Integrating Solar, Offshore Wind and Market Solutions**

The conference is hosted by the Center for Energy Information & Electricity Market Development.

The conference focuses on policies and investments in renewable energy development, fostering dialogue between policymakers, experts, and businesses in the fields of renewable energy and Direct Power Purchase Agreements (DPPA). It also features case studies and sharing sessions from enterprises applying renewable energy in their operations.

Target participants include government agencies, renewable energy developers, investors, power utilities, consultants, technology providers, and corporations committed to advancing Vietnam's Net Zero pathway.

DATA CENTER & CLOUD CONFERENCE

 13:00 – 17:00 | NOVEMBER 5TH, 2025

 CONFERENCE ROOM A, HALL A1, SECC

Theme: Green Data Centers: Sustainable Foundation for Breakthrough in the Digital Prosperity Era

The conference is hosted by the Vietnam Internet Association (VIA) and the Vietnam Cloud Computing & Data Center Club (VNCDC).

The conference brings together leading experts, technology providers, and pioneering enterprises in the fields of data centers and cloud computing to share the latest trends, green solutions, and collaboration opportunities in the era of AI and digital transformation.

Distinguished speakers include representatives from VIA, VNCDC, CMC Telecom, STT Data Centers, Innio Jenbacher, and Masstron.

The participants would be professionals and businesses in the telecommunications, information technology, and data center industries, as well as cloud service providers, system integrators, equipment manufacturers, energy solution providers, consultants, and representatives from industrial parks, government agencies, and research institutions.

VIETNAM ENERGY TRANSITION FORUM

 13:30 – 16:30 | NOVEMBER 6TH, 2025

 CONFERENCE ROOM B, HALL A2, SECC

Theme: Vietnam's Net-Zero Journey: Turning Ambition into Action

The conference is hosted by the Asia Pacific Urban Energy Association.

The forum centers on a panel discussion featuring members of the Asia Pacific Urban Energy Association (APUEA), focuses on sharing global best practices and lessons learned from international companies and organizations.

The session aims to provide valuable insights and practical experiences to Support Vietnam in implementing its roadmap toward achieving the Net Zero target by 2050.

Target participants include government representatives, energy policymakers, APUEA members, renewable energy developers, utilities, consulting firms, financial institutions, and international organizations—all interested in contributing insights and solutions to advance Vietnam's Net Zero transition.

PUBLIC TRAINING PROGRAM ON VIETNAM CARBON MARKET 2025

13:30 – 17:00 | NOVEMBER 6TH, 2025

08:30 – 11:30 & 13:30 – 17:00 | NOVEMBER 7TH, 2025

CONFERENCE ROOM B, HALL A2, SECC

The conference is hosted by Center for Energy Information & Electricity Market Development.

The training program covers key topics, including:

- (i) Legal framework and carbon market system in Vietnam
- (ii) Design of the Vietnam Carbon Market
- (iii) Instruments and mechanisms within the carbon market
- (iv) International experiences and lessons learned from Vietnam's stock market, along with a Carbon Market simulation session.

Target participants include enterprises subject to greenhouse gas emission reporting, energy-intensive manufacturers.

This is a paid training program, and the Energy Information and Electricity Market Development Center (EAVCED) will be responsible for fee collection and program administration.

HVAC INTERNATIONAL SEMINAR

8:00 – 11:30 | NOVEMBER 7TH, 2025

CONFERENCE ROOM A, HALL A1, SECC

**Theme: International HVAC Industry Seminar:
Carbon Neutrality - Potential & Solutions through HVAC System**

The conference is hosted by Vietnam Society of Refrigeration and Air-Conditioning Engineers (VISRAE)

The seminar focuses on insights shared by leading Vietnamese HVAC experts and enterprises, highlighting energy-saving solutions, the revolution of HVAC systems through AI and IoT, and advanced air treatment technologies. The discussions aim to promote sustainable innovation and carbon reduction in the HVAC industry.

Target participants include HVAC manufacturers and suppliers, building developers, M&E contractors, engineers, consultants, facility managers, and representatives from industrial parks, research institutions, and government agencies—those seeking to enhance efficiency and sustainability in building and industrial systems.

B2B MATCHMAKING SCHEDULE

BUSINESS MATCHMAKING PROGRAM – MEET POTENTIAL BUYERS

Vietnam Energy Week – HVACR Vietnam 2025 would like to introduce the Business Matchmaking Program. The program is designed to create opportunities for Exhibitors to connect with Buyers. Key details are as follows:

Time & Venue

- **November 5, 2025:** 10:30–12:00 and 14:00–15:30
- **November 6, 2025:** 10:30–12:00 and 14:00–15:30
- **Venue:** **BUSINESS MATCHMAKING, Hall B1 (near Gate B1)**

List of potential buyers (by time slot): [HERE](#)

Format:

- 1–1 meetings or small group sessions during the time slots above.
- Please book in advance if you have specific requests; otherwise, you may join during the published time slots. Follow staff guidance at the counter to complete check-in and enter the matchmaking area.
- Note: Exhibitors are kindly requested to bring business cards and wear Exhibitor badges.
